19th December 2018

Dear Parent/Guardian,

CiDA Exam – 9th January 2019

I am writing to inform you that your child has been entered for their CiDA exam on Wednesday 9th January 2019. This is a 2 and half hour practical exam in which they will need to develop and evaluate a website.

If your child meets their target grade they will not need to repeat the exam in the summer. It is therefore in their best interests to attempt this to the best of their ability as a successful result now will enable them to focus their time on other subjects at the end of the year.

Students have been working their way through revision material in lessons for the last couple of weeks, and have received guidance regarding any misconceptions picked up on in their mocks. They have also been provided with a revision pack including several past papers to help further in their preparation and I would ask you to encourage your son/daughter to be using these in their revision over the Christmas period.

Thank you for your support in this matter; if you have any questions at all please do not hesitate to contact me.

Yours sincerely,

J Bonson
