19th December 2018

Headteacher: Mrs. A.M. Hainsworth, BSc

Dear Parents/Carers,

I wanted to write to you to let you know that due to staff changes, from Monday 7th January 2019, your son/daughter will be taught by Mr Mullin for their CiDA qualification. He will be able to ensure that the class has continuity of excellent teaching and ensure students are provided with a solid foundation for moving forward.

Mr Mullin has a vast amount of experience in teaching and I am in no doubt he will help your child to meet their potential.

You can support your son/daughter's progress in lessons by ensuring that they:

- Are 100% focussed during every lesson
- Complete homework on time

I would be very grateful for your support in monitoring that your son/daughter is consistent with their effort in lessons. If you wish to discuss any of the matters detailed further, please do not hesitate to contact me at j.bonson@stmonicas.co.uk or by calling school.

Yours sincerely,

Mrs J Bonson
Head of Computer Science
St Monica's RC High School
