## Form Tutors

Dear Parent / Carer,

As part of our commitment to raising academic standards here at St Monica's, we will be offering additional Maths and English revision sessions for our Year 11 students during registration periods. This is an effective strategy used in many schools to improve outcomes in these two core subjects.

This does mean that we have had to make some changes to our Form Tutors to accommodate this.

I want to reassure you that your child will continue to receive the same level of pastoral care throughout this important year. They will still have access to the Head of Year, the Pastoral team, Mr Shaw and Mrs Walker whenever any support is needed.

I wish you all the very best for the Christmas holidays and look forward to working with you when we return in January.

Kind regards

Mrs Leysens (Acting Deputy Headteacher)
