Interim Headteacher: Mr C Foley MA Hons (STA) PGCE

9th January 2019

Dear Parent/Carer,

As part of our ongoing strategy to improve the progress pupils make in Maths and to ensure that all students have the best opportunity to meet or exceed their target, we have made some changes to some of the Maths sets.

Based on data from the last mock, students have been placed into groups whereby the targets and predicted grades of students in the that group are more streamlined, thus allowing the pace and pitch of lessons to be the most effective.

Please also encourage your child to continue to revise at home through the use of the 'Maths watch' programmes and the PiXL Maths App that they have received log-in details for before Christmas.

Your ongoing support through encouraging your child to complete such assignments and revision at home is very much appreciated.

Kind regards,

Abi Torkington
