25th September 2018

Dear Parents/Carers,

Here at St. Monica's R.C. High School, we believe in enriching our students' knowledge not only through their studies in a classroom, but through experiencing performances of the texts that we study.

Further to this, we have arranged for 'Manactco' to come into school to perform 'A Christmas Carol' for all Year 10 students on Tuesday 20th November 2018.

We would ask for a voluntary donation to support the funding of this event of £1.50. Payments can be paid through the 'Parent Pay' system. Students eligible for free school meals can receive a grant from Mrs. Cannon in place of the above payment.

This is a great opportunity for your child to see a performance of a Dickensian text and will greatly enhance their understanding of the text itself as well as being an enjoyable and fun experience.

Yours faithfully,

T. Dalton
Teacher of English
