25th September 2018

Dear Parents/Carers,

Here at St. Monica's R.C. High School, we believe in enriching our students' knowledge not only through their studies in a classroom, but through experiencing performances of the plays that we study.

Further to this, we have arranged for 'Manactco' to come into school to perform 'An Inspector Calls' for all Year 9 students on Friday 15th February 2019.

We would ask for a voluntary donation to support the funding of this event of £1.50. Payments can be paid through the 'Parent Pay' system. Students eligible for free school meals can receive a grant from Mrs. Cannon in place of the above payment.

This is a great opportunity for your child to see a performance of a classic play and will greatly enhance their understanding of the play itself as well as being an enjoyable and fun experience.

Yours faithfully,

T. Dalton

Teacher of English
