17th September 2018

Dear Parent/Carer,

I would like to take this opportunity to inform you of some important information regarding your child's work in English. Following the results of the end of year assessment in Year 10, your child has been selected to take part in an intervention class after school. The programme is designed to help pupils master the skills required for the GCSE examinations, with a particular focus on English Language.

Classes will be held every Thursday after school and will begin on Thursday 20th September at 3pm in room 57. We will be delivering intensive and immersive intervention sessions, employing a variety of strategies to improve pupil progress. The classes will run every week until Christmas, when normal revision with your child's class teacher will commence in the January.

It is important that your child attends this session and engages with the support given, as we feel it is advantageous in boosting academic achievement and success.

I would like to thank you for your continued support and encouragement with this.

Yours faithfully,

C. Shaughnessy  
Head of English
