Dear Parent/Carer

As part of our ongoing commitment to driving forward results in Mathematics, I write to inform you that the Mathematics department are now able to offer students the opportunity to purchase revision cards, which will help them prepare for their GCSE examination. We are able to obtain the cards for a price of £7.65, which is cheaper than the advertised price.

This is a fantastic, visual and organised way for your child to revise, using material in line with the new 9-1 GCSE curriculum.

If you would like to order this set of cards, payments should be made through parent pay before Friday 28<sup>th</sup> September 2018.

If your child is classified as pupil premium, then they are entitled to a free set of cards that will be ordered and given to your child by their class teacher.

If you have any questions regarding this, please do not hesitate to contact me on [a.torkington@stmonicas.co.uk](mailto:a.torkington@stmonicas.co.uk)

Our aim is to enable every child to make maximum progress in Maths and we fully appreciate your support with this.

Kind regards

**Mrs A Torkington**
