5/9/18

Dear Parents/Carers,

I am pleased to inform you that your child _____ has been identified as Gifted / Talented / Gifted and Talented.

A combination of quantitative data and staff nominations has been taken into consideration in order to identify our Gifted and Talented pupils.

Gifted and Talented is a term used to describe children who have the potential to develop significantly beyond their peers. Gifted pupils have abilities in one or more academic subjects such as Maths, Science, English, Geography, History etc. Talented pupils have skills in a practical area such as PE, Art, Drama, Music, Performing Arts etc.

At St Monica's RC High School we aim to stretch and challenge all pupils as it is part of our commitment to our mission statement to help pupils fulfil their God given talents. The Gifted and Talented list of pupils has been shared across all learning areas so that teaching staff are aware of your child's abilities. Our aim is to continually improve teaching and learning and that work is tailored to the individual whilst taking on board the areas of strength of our Gifted and Talented pupils.

If you have any questions at this stage please do not hesitate to contact me.

Yours sincerely,

Mrs N. Sherlock
Most Able pupils Coordinator
