Ref:AT/sw

Dear Parent/Carer

As part of our ongoing commitment to driving forward results in mathematics, I write to inform you that as from Wednesday 19th September 2018, students will take part in maths intervention every morning. Your son/daughter has been selected to do this.

Instead of going to their form room they must arrive at room 12 at 8.25 each morning where they will receive their registration mark and 15 minutes of mathematics practise.

This will be an excellent opportunity for the students to make accelerated progress meaning it is crucial that they arrive on time every morning, fully prepared with their maths equipment. Some students who attended this session last year made up to 2 full grades of progress in their final exam.

If you have any questions regarding this, please do not hesitate to contact me on a.torkington@stmonicas.co.uk

Our aim is to enable every child to make maximum progress in maths and we fully appreciate your support with this.

Kind regards

Ms A Torkington
Head of Maths
