Headteacher: Mrs. A.M. Hainsworth, BSc

15th October 2018

Dear Parent,

Here at St Monica's we strive to recognise and value the positive achievements of our students. I would like to take this opportunity to recognise the contribution that your child made to making our Open Evening such a positive event for so many parents.

On the evening, your child acted as a Student Ambassador for the school. They guided parents around the school talking about the various subjects studied here and opportunities for learning at St Monica's. They conducted themselves with integrity and were a credit to the school and to you as parents.

We would like to acknowledge this positive contribution by offering them the opportunity to 'Wear their Own Clothes' rather school uniform and by allowing them to leave at the end Period 4 on Thursday 18th October. (If they wish to stay in school for lunch, they may do so but must sign out of the office before they leave school.)

Thank you again for your support.

Mrs S. Leysens

Acting Deputy Headteacher
