Headteacher: Mrs. A.M. Hainsworth, BSc

1st October 2018

Dear Parent/Career,

I am writing to you to inform you that your son/daughter has made a fantastic start to year eight and has now accrued one of the highest merit totals in the entire year group. Their hard-work, determination and respectful attitude has really shone through. Pupils at St Monica's receive merits for a number of reasons, such as helpfulness, kindness, excellent classwork or homework, effort in lessons and behaviour towards others. This means your son/daughter has shown many of these qualities over the last few weeks and their teachers are noticing how they are making a positive impact in our school community.

The students will be rewarded every term with various different events, such as certificates, afternoon treats and rewards trips. As well as this their form teachers are nominating one student every week to receive a Friday morning reward of hot chocolate and biscuits, and they will be placed on recognition boards in their form rooms, allowing them and a friend to be the first in for lunch all week.

We are proud of the way they have started a new year, and we hope their hard work and progress will continue.

Thank you for your continued support.

Miss O'Neill
