Dear Parent/ Carer,

Over the last half term, your child has been working on creating a children's story in their English lessons.

We are delighted to tell you that your child has been selected to share their story with some of the Reception children at one of our feeder Primary Schools, either St. Philip's, St. Bernadette's or St. Michael's.

We plan to leave St. Monica's at 1:10pm to arrive at the Primary Schools by 1:30pm. The pupils will then share their stories and will deliver a short workshop to the pupils in the Reception classes.

We will be leaving the Primary schools at 2:30pm and will aim to be back at St. Monica's by 2:45pm.

I would like to pass on my congratulations to your child for the hard work and commitment that they have exhibited in producing an outstanding piece of work.

Kind Regards,

Mr. T. Dalton
