

St. Monica's Catholic Teaching School Alliance

Course: Demonstrating the Numeracy Curriculum at KS2.

Date: 25th November 2015

Time: 9.30-3.00

Course delivered by:

The staff of: St. Philip's RC Primary, Cavendish Road, Salford M7 4WP

Course Information: The Course is aimed at fellow Secondary Mathematics colleagues and Heads of Departments.

AIMS:

- **To demonstrate the teaching and learning of Numeracy across KS2**
- **To demonstrate how the planning, marking and assessment of maths ensures progress and challenge for all groups of learners in KS2**
- **To share practice with Secondary colleagues in order to support pupils making the transition to KS3**

The morning session will provide opportunities to observe classroom practice. The focus in particular will be:

- To demonstrate how learners can make progress within a numeracy lesson;
- How mathematical concepts can be presented and reinforced in innovative ways;
- How to secure learning within the four rules of number;
- Differentiation and differing starting points within a lesson;
- How to challenge the more able and provide opportunities for 'mastery';
- How to make meaningful links across the curriculum.

The afternoon session will be led by, John Barrett (Head teacher) and Sarah Farrell (Maths' Subject Leader) in order to demonstrate how the planning, marking and assessment of maths is instrumental to providing a challenging Mathematics' Curriculum at KS2. There will be opportunities to explore:

- Planning and Assessment at KS2
- Pupils work at KS2
- Resources

Venue:

**St. Philip's RC Primary
Cavendish Road
Salford, M7 4WP**
